

**Jeevandan Health** In Association With  
**Indian Society of Critical Care Medicine**  
**Present**

# POCUS PULSE

Empowering Intensivists with Advanced Point-of-Care Ultrasound Skills for Better Critical Care

## HIGHLIGHT

- Hands-on POCUS Training
- Live Demonstrations
- Case-Based Discussions
- Critical Care Ultrasound Protocols
- Vascular Access Guidance
- Hemodynamic Assessment
- Lung & Cardiac Ultrasound Applications
- Expert Faculty Interactions
- Networking Opportunities
- Trans cranial Doppler (TCD)

23 Aug-2026

**Hotel Chankya, Patna**

**Registration Open Now**

## Programme Overview

Point-of-Care Ultrasound (POCUS) has become an indispensable bedside tool in modern critical care. POCUS Pulse 2026 is designed to provide intensive care physicians with practical knowledge, hands-on learning, and expert-guided clinical applications to improve diagnostic accuracy and patient outcomes.

✓  
Networking  
& Learning

✓  
Technical  
Skills  
Training

✓  
Leadership  
Development

### Scientific Format

- Expert Lectures
- Hands-on Skill Stations
- Live Scanning Sessions
- Interactive Panel Discussions
- Case-Based Learning
- Faculty Round Table Discussions

### Learning and Growth Goals

- Learn directly from leading revision experts and thought leaders
- Engage in case-based debates and decision-making sessions
- Discover practical ICU & Critical Care Management tips you can apply immediately
- Present your own complex cases and gain expert insights

### Learning Programs & Objective

- ✓ Fundamentals of Critical Care Ultrasound
- ✓ Lung Ultrasound Interpretation
- ✓ Echocardiography for Intensivists
- ✓ Assessment of Shock Using POCUS
- ✓ Hemodynamic Monitoring
- ✓ Vascular Ultrasound & Guided Procedures
- ✓ FAST and eFAST Protocols
- ✓ Ultrasound in Respiratory Failure
- ✓ Trans Cranial Doppler
- ✓ Clinical Integration of POCUS in ICU

### Who Should Attend

- Intensivists
- Critical Care Consultants
- Anaesthesiologists
- Emergency Physicians
- Pulmonologists
- Internal Medicine Specialists
- Critical Care Fellows
- DNB & MD Residents
- Medical Officers involved in Critical Care

POCUS Pulse 2026 is a dedicated academic initiative aimed at strengthening the bedside ultrasound competencies of intensivists, critical care physicians, emergency physicians, anesthesiologists, and postgraduate trainees.

The workshop combines evidence-based learning with practical skill development, enabling participants to confidently integrate ultrasound into daily critical care practice.

## ORGANISING COMMITTEE

**Dr. Kishore Jhunjunwala**  
Chairman  
Scientific Committee

**Dr. Rajesh Raushan**  
Chairman  
Scientific Committee

**Dr. Dhiraj Kr Ambastha**  
Patron - scientific  
Committee

**Dr Ankur Akela**  
Organising Chairman

**Dr Kundan Kumar**  
Organising Secretary

**Dr. Sukanya Singh Rajput**  
Treasurer - Committee

## ESTEEMED FACULTY

**Dr. Shrikanth Srinivasan**  
Chairman, Manipal Institute of  
Critical Care Medicine

**Dr. Tapas Kumar Sahoo**  
Associate Director - Critical care  
Medanta Hospital - Ranchi

**Dr Pranav Srivastava**  
Max Hospital - Dwarka

**Dr Jyotirmaya Prakash Pati**  
Asst. Professor: Trauma &  
Emergency AIIMS Deoghar

**Dr Mudit Joshi**  
Consultant : FMRI Gurugram

**Dr. Kishore Jhunjunwala**  
Director - Critical care,  
Medanta Patna

**Dr. Rajesh Raushan**  
Head of Critical Care Unit  
Mediversal Hospital

**Dr Kundan Kumar**  
HOD - Crital Care & Emergency  
Jeevandan Health

**Dr Sukanya Singh Rajput**  
Consultant : Critical care  
Jeevandan Health

**Dr Prabhash chandra Jha**  
Sr. Consultant - Interventional  
Radiology, Jeevandan Health

## WELCOME MESSAGE

**Dear Friends & Seniors,**

**Why Participate in  
POCUS PULSE 2026**

It gives me immense pleasure to welcome you to POCUS Pulse 2026, a dedicated academic initiative focused on enhancing Point-of-Care Ultrasound (POCUS) skills among intensivists and critical care professionals.

Critical care medicine is evolving rapidly, and Point-of-Care Ultrasound has emerged as one of the most powerful bedside tools for timely diagnosis, clinical decision-making, procedural guidance, and patient monitoring. The ability to perform and interpret ultrasound at the bedside is no longer an optional skill but an essential competency for every intensivist striving to deliver excellence in patient care.

**POCUS PULSE 2026** has been carefully designed to provide a comprehensive learning experience through expert-led sessions, hands-on workshops, real-world case discussions, and interactive learning opportunities. Our aim is to bridge the gap between theoretical knowledge and practical application, enabling participants to confidently integrate ultrasound into everyday critical care practice.

This scientific gathering will bring together leading faculty members, experienced clinicians, industry partners, and enthusiastic learners from across the country to share knowledge, exchange experiences, and advance the standards of critical care medicine.

I extend my sincere gratitude to the Indian Society of Critical Care Medicine (ISCCM), our distinguished faculty, sponsors, health partners, and the organizing team for their invaluable support in making this initiative possible.

On behalf of Jeevandan Health, I warmly invite you to join us on 23rd August 2026 for a day of learning, collaboration, and professional growth. Together, let us strengthen our skills, improve patient outcomes, and shape the future of critical care through the effective use of Point-of-Care Ultrasound.

I look forward to welcoming you to POCUS Pulse 2026.

Warm Regards,

Dr. Kundan Kumar  
HOD – Critical Care Medicine  
Jeevandan Health

## PROGRAMME SHEDULE

### 7:30 AM - 9:00 AM - BREAKFAST

TIME SLOT	NAME OF THE SPEAKER	TOPIC COVERED
8:00 AM - 8:30 AM	<b>Dr Prabhash Chandra Jha</b>	USG Basic Physics and Knobology
8:30 AM - 9:00 AM	<b>Dr. Shrikanth Srinivasan</b>	LUNG - Ultrasonography
9:00 AM - 9:30 AM	<b>Dr Jyotirmaya Prakash Pati</b>	Diaphragm - Ultrasonography
9:30 AM - 10:00 AM	<b>Dr. Rajesh Raushan</b>	Cardiac POCUS

### 10:00 AM - 10:30 AM - TEA BREAK & INOGURATION LAMP LIGHTING

10:30 AM - 11:00 AM	<b>Dr Mudit Joshi</b>	Fluid Responsiveness Assesment by using POCUS
11:00 AM - 11:30 AM	<b>Dr. Kishore Jhunjunwala</b>	Approach to Trauma Patient using POCUS
11:30 AM - 12:00 PM	<b>DR. Sukanya Singh Rajput</b>	Protocoliged Treatment in ICU using POCUS
12:00 PM - 12:30 PM	<b>Dr. Tapas Kumar Sahoo</b>	<b>VEXUS</b>
12:30 PM - 01:00 PM	<b>Dr Kundan Kumar</b>	<b>TCD</b>

### 01:00 PM - 02:00 PM - LUNCH BREAK AND FACILITATION

### 2:00 PM TO 5:00 PM - WORKSHOP ON POCUS & HITEA

Cardiac POCUS

LUNG POCUS

TCD

## REGISTRATION

### Registration Amount

Category	Registration Fee
Delegates	Rs 1000/-
PG Students ( MD, DNB, DM, DrNB)	Rs 800/-

### Registration Inclusions

- Course Registration
- Course Kit
- Breakfast & Lunch On 23<sup>rd</sup> Aug 2026
- Exhibition & Scientific Sessions Entry
- Workshop Participation
- Course Certificate
